College Governance

The general body of the parent institute MarathwadaShikshanPrasarakMandal is the apex governing body the general body approves and monitors institutional policies and plans. For smooth conduct of curricular, co-curricular and extra-curricular activities and administration related activities, the college has formed 48 independent committees. These committees call their members for periodic meetings so as to discuss and decide plan of action.

Few of these pivotal committees also suggest and recommend certain measures to be adopted for the up-gradation in the existing functioning mechanism.

At the end of academic year, each committee submits its annual report and also its perspective plan/calendar for the following academic year.

College Development Committee:

The College Development Committee, formerly known as Local Management Committee, includes 17 members, constituted according to the Maharashtra University Act, 2016. It prepares annual budget and financial statements, discusses the academic progress of the college, and gives suggestions to the Management for the up gradation of teaching- learning process. This body also recommends to the Management for filling the vacancies in teaching-and nonteaching staff.

Principal, Vice Principals and College Committees:

Principal as the head of the institute pays very minute attention towards administrative and academic activities. The college administration looks into the work related to eligibility, admission, examination, whereas all the different committees take care of maintaining the daily record, interacting with stake holders, etc. Teaching and support staff play an important role in executing curricular, co-curricular and extra-curricular programs.

Statutory and Academically Essential Bodies:

48 Committees were run in college given in College prospectus.

Strategic Plan and deployment documents

Institution Strategic Goals:

1. Following effective teaching learning process
2. Developing and following leadership and participative management
3. Establishing a continuous Internal Quality Assurance System
4. Ensuring good governance
5. Ensuring student's development and participation
6. Ensuring staff development & welfare
7. Developing financial management
8. Put emphasize on Institute - Industry interaction and partnership
9. Development of entrepreneurship
10. Encouraging research and development work
11. Increasing Alumni Interaction and participation and Outreach activities
12. Engagement in Community Services and Activities
13. Developing physical infrastructure

❖ Curriculum Development

- Teachers representing on board of studies and other statutory bodies have positively contributed to the reformation of syllabi in home university.
- Teachers are encouraged to have active participation in university curriculum design.
- Teachers participate in syllabus restructuring programmes, prior to students' suggestion.

❖ Teaching and Learning

- Use of ICT facilities.

Principal
Balbhim College of Arts, Science
& Commerce, Beed
District Beed-431122

- Seminars, guest lectures, debating sessions and group discussion arranged for students.
- Use of traditional methods in combination with advanced method is encouraged.
- Semester wise teaching plan prepared and given to the students in the beginning of semester.
- Monitoring and execution of teaching plan is done through heads of departments and Principal.
- Feedback on teaching on each semester is taken and corrective measures are taken.
- Remedial coaching for slow learners.

❖ **Examination and Evaluation**

- Independent examination cell is established and a separate college examination officer is appointed to monitor continuous evaluation.
- Performance of students is evaluated through test, project works , seminars etc.
- Post result discussion is held with the students

❖ **Research and Development**

- Continuous organization of state level science exhibition.
- Encouragement for students to present research papers and research project in Avishkar Research festival.
- CFC for research enhancement is strengthened.
- Well equipped science laboratories and language laboratory.

❖ **Library, ICT and physical infrastructure/ instrumentation**

- Use of advanced technology is encouraged to make library more effective and convenient.
- Provision of ICT facility for various departments.
- Renovation and up gradation of laboratories through different funding agencies.
- All the required equipments as per the syllabus are purchased.
- Renovation of physical infrastructure for effective academic functioning.

❖ **Human Resource Management**

- Curricular, co-curricular and extracurricular committees are established for effective academic /administrative management.
- To organize training programme/ workshops etc for human resource development and human resource management.
- Use of ICT administration.

**6.Strategic plan
(Assessment period)**

PERSPECTIVE PLAN

(2016-2017 to 2020-2021)

The college has prepared a Perspective Plan for the period of five years commencing from academic year 2016-2017 to academic year 2020-2021 taking into deliberation the quality indicators of seven criteria determined by NAAC. The Internal Quality Assurance Cell (IQAC) constituted in the college work out the perspective plan indicating the steps towards progress of the institution with reference to quality sustenance and quality enhancement.

PERSPECTIVE PLANNING COMMITTEE

1. Principal, Dr. V. G. Sanap	Chairman
2. Mr. S. S. Undare	Member
3. Dr. M. A. Sakhare	Member
4. Mr. A. D. Chnidhe	Member
5. Dr. R. K. kale	Member
6. Dr. S. M. Sukte	Member
7. Dr. V. J. Pathangankar:	Member (IQAC, Coordinator)

Prime Objectives & Functions of the Committee:

1. To evaluate the earlier perspective plan.
2. To analyze the happenings of the earlier perspective plan.
3. To design and formulate perspective plan taking into consideration the empirical data.
4. To consider short term and long term perspectives while formulating the planning.

5. To keep quality checks to observe proper actualization of the planning.
6. To disseminate information about various policies for proper implementation of the planning.
7. To communicate the planning and its analyses to the management.
8. To seek coordination among various stakeholders of the institution concerning the planning.

PERSPECTIVE PLAN 2016-17 to 2020-21

Quality indicators of seven criteria determined by NAAC are in fact the seven main processes of developing the capabilities of an institution.

- I. Curricular aspects
- II. Teaching Learning and evaluation process
- III. Research Consultancy and Extension
- IV. Infrastructure and Learning Resources:
- V. Student Support and Progression
- VI. Governance Leadership and Management
- VII. Innovations and Best Practices

I. Curricular aspects

1. To cater the diverse educational needs of the students
2. To organize collaborative workshops and seminars with a view to develop the teacher education curriculum in various areas like curriculum development, environment, Information and Communication Technology.
3. Seeking feedbacks from stakeholders on the curricular aspects of the program is one of our clear cut goals for the coming five years.
4. To orient teachers for new university act to be introduced shortly for better participation in activities of curriculum planning and implementation from affiliated university.

5. To encourage the teachers for interdepartmental collaborations for effective implementation of curriculum.
6. Conduct of Academic Audit by inviting peer team of expert educationalists and action will be initiated on their recommendations.
7. Strengthening of Existing Programmes
8. To organize various programmes under Women Empowerment Cell.
9. To create sophisticated infrastructure for the departments like Music and Dramatics in order to offer students professional atmosphere for better career opportunities.

II. Teaching Learning and evaluation process

1. To encourage and orient teachers for higher qualifications like Ph.D.
2. To upgrade existing website of the college to enable aspirant to access admission related information, quality assurance and update of events from time to time.
- 3 To strengthen our Tutorial and Remedial program to cater to students' needs.
4. The college plans to recognize and implement good practices to enhance teaching, learning and evaluation processes
5. To encourage the students to participate in co-curricular and extra-curricular activities.
6. To inspire the students to participate in state level and national level competitions.
7. To strengthen the student centric teaching system.
8. The faculty will be promoted to use of various innovative techniques and aids to improve the learning and communication skill of learners

9. To strengthen Students council and Students welfare committee to discuss the innovation in teaching-learning and evaluation system and planning of cultural, sports and other activities.
10. To arrange special lecture for the students with poor performance in terminal or preliminary examinations to bring them in main stream.
11. To organize orientation/training program for the various competitive exams.
12. We have planned to continue the policy of felicitating and rewarding the faculty on their achievements in academics, social as well as personal life.

III. Research, Consultancy and Extension

i) Research

1. We have planned to make continuous efforts to seek research grants from various funding agencies such as UGC, CSIR, BARC, DBT, DST, University etc.
2. To start Ph.D. degree programmes at our college by establishing Research Centre in different departments such as, Physics, Chemistry, Social sciences.
3. To encourage faculty to benefit of FIP scheme for pursuing Ph. D degree.
4. To establish MoUs/ Collaborations/ linkages with reputed national and international organizations working in the area of education and research.
5. To strengthen common facility centre for research by purchasing sophisticated instruments such as NMR, UV spectrophotometer, Mass spectrophotometer, AAS, XRD etc.
6. To propose teachers financial assistance for publication of books.
7. To offer 100% financial assistance to teachers for attending seminars, conferences, etc.
8. We will plan to organize training programmes for preparation of proposals for minor and major research projects.

ii) Consultancy

1. The college will plans to organize expert lectures to promote consultancy aspect.
2. We will continue to appreciate and to recognize the faculty who provide consultancy services.
3. To strengthen research laboratories with professional and sophisticated equipment in order to provide consultancy on professional level.
4. To organize Industry-academia Meet for sharing of research ideas and dialogues for consultancy services.
5. To motivate and realize the faculty in case they provide consultancy services.

iii) Extension

1. To organize variety of innovative outreach programme through different departments.
2. The college will strengthen NSS units.
3. Gymnasium facility will be made available to the peoples in Beed city.
4. Practical demonstration programme will be organized to the students of high schools of Beed city through department of chemistry.
5. To develop well equipped soil analysis lab for the farmers of Beed district through department of Agrochemistry and Fertilizers.
6. We will contribute to society by donating financial aids, computers and electrical appliances to schools.
7. Computer literacy programmes will be organized with the help of department of Computer Science for disadvantaged School Students.

IV. Infrastructure and Learning Resources

1. Up gradation of all UG and PG class rooms
2. To strengthen all laboratories.

3. To make budgetary provision for departmental library facilities.
4. To increase the number of computer labs
5. To increase the number of washroom facilities for students on the campus.
6. To strengthen infrastructure of research laboratory.
7. Well furnished and fully computerized Administrative office.
8. To increase the number of washroom facilities for students on the campus.
9. To strengthen N.S.S. and NCC department.
10. To increase the number of toilet blocks for girl and boy students.
11. To set up well equipped resource augmentation cell for the teachers to prepare teaching material and carry out research in their field by enhancing facilities in common facility research laboratory.
12. Up gradation of internet access and reprographic facility in central library.
13. We have planned to increase the number of well equipped ICT rooms with supporting furniture and interactive boards.

V. Student Support and Progression

1. All the students will be insured under Group Insurance Scheme.
2. To increase the career guidance and placement cell facilities to the students.
3. To organize skill based workshops for students
4. We have planned to create Student friendly environment within the campus having rural background to build their confidence.
5. Alumni will be invited for social, cultural and academic programmes of the college.
6. To organize workshops on interview techniques, introduce examination preparation classes for NET, SLET, GATE, GMAT, TOEFL, JAM etc. under career guidance cell.
7. To sign MOU with research institute or industries for the benefit of the students.

8. College plans to communicate all the information regarding students about their performance, attendance etc. with their parents through college web-site or SMS facility.
9. To organize state or national level conference for Post graduate students.
10. To make fundamental provisions in order to provide sustainable facilities to the drought affected students.

VI. Governance Leadership and Management

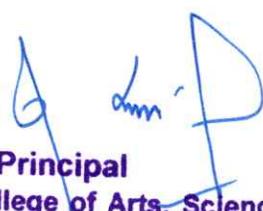

- 1) Growth oriented annual budgetary allocation.
- 2) We will continue financial freedom in utilization of grants for the purpose for which they are allocated within the allocated budget.
- 3) To strengthen effective internal control, compliance monitoring mechanism, periodic internal audit and timely statutory audit of the accounts.
- 4) To take Continuous efforts to obtain development grants from funding agencies such as UGC, State Government, and University etc.
5. Participatory functioning of the institution involving all staff members.
6. Distribution of responsibilities equitably according to capabilities.
5. We have planned for the involvement of Students Council, Students Welfare Committee and Women Cells in decision making, execution of policies and developmental aspects of the institute.

VII. Innovations and Best Practices

1. College plans to promote value-based education, social responsibilities and good citizenry through various programmes.
2. To promote gender related sensitizing programmes.
2. To continue AIDS awareness and environment awareness programme through NSS or NCC department.
3. To accelerate the practices like drug abuse, health and hygiene, renewable energy sources, energy conservation by using solar system, rain water harvesting, waste management, socially relevant acts and campaigns.
4. We propose to run some outreach programme.
