

ABOUT THE JOURNAL

The **Journal of Basic & Applied Sciences (JBAS)** (Print ISSN: **2229-3302**) is a **peer-reviewed, multidisciplinary scientific journal** published by **Balbhim Arts, Science & Commerce College, Beed, Maharashtra, India**. The journal aims to promote high-quality research in **basic and applied sciences**, providing a common platform for researchers, academicians, and scholars across all areas of science, engineering, and technology. JBAS is a half yearly journal that publishes **TWO** issues per year.

The journal publishes **original research articles, review papers, and short communications** in areas such as Physics, Chemistry, Mathematics, Life Sciences, Environmental Science, Computer Science, Biotechnology, Engineering and other interdisciplinary science domains.

The journal is being **restarted in online mode** with a focus on academic integrity, transparent peer review, and wider global accessibility.

AIM & SCOPE OF THE JOURNAL

The **Journal of Basic & Applied Sciences (JBAS)** (Print ISSN: **2229-3302**) provides a multidisciplinary platform for the publication of original research and scholarly work in **basic, applied, and interdisciplinary sciences**. The journal welcomes contributions that advance theoretical understanding, experimental investigation, and practical applications of scientific knowledge.

The scope of the journal includes, but is not limited to:

- Physics and Applied Physics
- Astrophysics
- Agricultural Science
- Ecology
- Chemistry and Applied Chemistry
- Mathematics and Computational Sciences
- Industrial Mathematics
- Life Sciences and Biotechnology
- Clinical Medicine
- Environmental and Earth Sciences
- Computer Science, Information Technology, Data Science & AI
- Materials Science and Nano-Science
- Engineering and Technology
- Interdisciplinary and Emerging Areas of Science

The journal encourages **innovative, impactful, and ethically conducted research** from academicians, researchers, and industry professionals.

SPECIAL ISSUES

The **Journal of Basic & Applied Sciences (JBAS)** (Print ISSN: **2229-3302**) publishes **special issues arising from conferences, seminars, workshops, and symposia**, as well as **theme-based special issues proposed by faculty members and research groups**, subject to editorial approval. All submissions undergo a **standard peer-review process** and adhere to the journal's publication ethics.
