

Ethical Standards and Confidentiality

All manuscripts are treated as **confidential documents**. Reviewers are expected to:

- Declare any conflicts of interest
- Review manuscripts objectively and fairly
- Maintain strict confidentiality of content

The journal follows ethical guidelines to prevent **plagiarism, data fabrication, falsification, and redundant publication**.

Final Acceptance and Publication

Once a manuscript is accepted, it undergoes final editing and formatting before publication. The editorial team ensures accuracy, clarity, and consistency prior to online release.
